

ANNUAL REPORT

2020-2021

Creating
Partnership
with the Needy

A Letter from GS

The year 2020 threw up an unprecedented challenge. Amidst the global Covid pandemic that frighteningly left no sphere of life untouched, the Vision 2026 stood up to the challenge, and continued its mission to deliver humanitarian aid and assistance to the most affected across the country. I am glad to inform you that our current projects address eight of the United Nations' 17 Sustainable Development Goals (SDGs).

Apart from the ongoing projects under core sectors, this year, various programs were undertaken in response to the Covid pandemic. Our major focus lied on helping underprivileged and vulnerable segments fight hunger and prevent the pandemic. Medical kits were donated to health workers through government agencies, and under Covid Relief, Refugee Relief Programs, and Hunger Relief, Vision reached more than a million poor and needy families in 23 states across the country.

The Pandemic couldn't douse the spirit and the Vision continued its activities in all core sectors. We upped our activities in the under-developed aspirational districts of the country and is in the process of creating and developing Comprehensive Campuses that comprises educational institutions including schools, medical and wellness centres, and training and skill development centres. The Model Village Project implemented under the Vision now covers 44 villages in eight states with more than one lakh beneficiaries.

To address the issues of women, with a special focus on destitute women, especially widows and victims of riots and natural calamities, a separate entity at national level named as 'The Women Education and Empowerment Trust' (TWEET) has been formed. Thousands of needy women and girl children are beneficiaries of various schemes run by the Vision. In the field of education, apart from capacity building of existing schools, merit cum means scholarships, National Minority Talent Search Examination, the newly formed Centre for Training and Academic Guidance (CTAG) could facilitate career guidance, counselling activities and programs all over the country.

Despite the prevalent challenges, the dedicated team of all partnering NGOs and institutions behind Vision 2026 are committed to achieve the targets set in each sector. I express heartfelt gratitude to our donors, our partners, and our team for all that we could achieve. Your selfless benevolence and support continued to enable Vision to make a real difference in many lives.

T. ARIF ALI
General Secretary

Values

Compassion
Empowerment
Justice
Accountability

Mission

Our mission is to serve the poor and deprived sections of the society by providing them the basic amenities like education, healthcare, food, and shelter that equip individuals to become an equal partner in the progress of the nation, and by helping the sufferers of calamities to move towards a world free from hunger, ignorance, deprivation, and exploitation.

We aim at the grassroots level with a distinct preference for the depressed and the disadvantaged sections, enabling them to attain all that a common citizen cherishes.

Vision

Hand-in-hand we go to serve the deserving. Through various community service projects and with the support of our caring and generous donors, the Human Welfare Foundation (HWF) is engaged in helping people with little or no resources. With the high spirit and dedication of its volunteers, HWF strives to alleviate human sufferings and also to help them achieve real improvement in the quality of their lives.

VISION
2026

Unit

donated to Iqraa Hospital, Kerala.

1773
volunteers

engaged in in 203 Covid-19 hotspots

Vision Gets Appreciation for Covid-19 Relief

Vision received appreciation from Ms. Harleen Kaur, IAS, District Magistrate of South East District, Delhi for active involvement in relief programs during Covid-19 lockdowns.

Vision came up with a proper rehabilitation project intended at rebuilding lives and livelihoods that were spoiled by the rioters. The project was methodically designed after face-to-face surveys with the affected families.

Delhi Relief

Vision Rehabilitates 300 families

 225 Livelihood Projects	 7000+ Food Kits

 18 Commercial Establishments	 160+ Legal Aids
 115 Education Projects	 800+ Dignity Kits
 61 46 Orphan 15 Widows	 1500 Essential Items for 1500 in Relief Camp

A young boy with dark hair, wearing a light-colored long-sleeved shirt and white pants, is sitting on a stone wall. He is looking towards the camera with a slight smile and has his hands near his face. The wall is made of rough, stacked stones. In the background, there are traditional mud-brick buildings with thatched roofs, typical of a rural village. The sky is clear and bright.

Thank You for the Support

We take this opportunity to acknowledge and appreciate the value of your treasured support. The poor who cannot afford a set of clothes, the countless starving sisters forced to sell their honor for a few crumbs, parents too indigent to pay for the legal fights for their unjustly incarcerated children, and millions of kids so far denied a chance for education - all these look up to the generous people like you - with desperate hope.

If we can leave aside a small portion of any extravagances on weddings, dinner parties, entertainments, and the like, it will mean a lot for them: one meal for the hungry, a pair of clothes for the needy, a scholarship for a child. We expect your helping hands forever in future so that the dark present of those people can be lightened in near future. It is only people like you who make us confident enough to proceed with new initiatives.
