

A group of young children, likely students, are shown in a close-up shot. The central focus is a young boy with short, dark hair, wearing a blue and white checkered shirt. He is looking directly at the camera with a slight, gentle smile. Behind him, other children are visible, some also in similar uniforms, looking towards the camera with various expressions of interest and curiosity. The background is softly blurred, suggesting an outdoor school setting.

Human Welfare Foundation

Established in 2006, Human Welfare Foundation (HWF) has become one of India's leading nongovernmental organizations dedicated to carrying out humanitarian and development programs to fight poverty and people's sufferings by working in partnership with vulnerable communities regardless of faith, caste, gender, or political beliefs. HWF aims to help the poor and those in need to live sustainable, self-reliant lives within safe and caring communities. And the work is guided and shaped by the core values of accountability, humanitarianism, neutrality and impartiality, inclusiveness, integrity, and cooperation. HWF intervenes in all core developmental areas such as education, health, shelter, orphan care, drinking water and sanitation, community development, hunger and refugee relief, vocational training, and livelihood support.

What we do

- Education
- Career Guidance
- Health Care
- Drinking Water
- Low-Cost Housing
- Nagarik Vikas Kendra
- Community Learning Centre
- Hunger Relief
- Refugee Relief
- Orphan Care
