

EDUCATION PROJECTS

ACCESS TO QUALITY EDUCATION FOR ALL

For HWF, access to education is not just a basic human right, but a key factor in reducing child labor and poverty

Vision 2026

Established by a group of eminent community leaders, the 'Vision2026', is a common agreed framework guiding its partner NGOs achieve their shared goal of community development by creating partnership with the needy. Aligning its mission with the UN Sustainable Development Goals (SDGs) the VISION 2026 address ten of UN's 17 SDGs through its partner organizations working in the domain of Education, Healthcare, Women Empowerment, Economic Empowerment, Community Development and Disaster Management across India

Human Welfare Foundation

Established in 2006, the Human Welfare Foundation (HWF) has become one of India's leading nongovernmental organizations dedicated to carrying out humanitarian and development programs to fight poverty and people's sufferings by working in partnership with vulnerable communities regardless of faith, caste, gender or political beliefs. HWF is flagship project of "VISION 2026"– an ambitious plan to bring about transformation in the social landscape of the country. The plan envisages the establishment of multifarious institutions across the country, with a strong human resource of committed volunteers and recognized community leaders.

EDUCATION PROJECTS

We intend at transforming these campuses into hubs of education and training where underprivileged sections of society will get affordable and quality education and other services that they are deprived of for a long.

Workshop/35 participant**

School ENROLMENT PROGRAM

The Annual Status of Education Report (ASER) 2021-22 showed that 12.97 million children in the age group of 6-13 years in India were not attending school. Most of these children were in rural areas.

In HWF supported schools 25,000+ students are attending Schools.

Join our mission to get them back in School.

COMMUNITY LEARNING CENTRES

Community Learning Project-CLC is one of our promising projects. CLCs aim at imparting basic education to the out of school children in order to make them ready for formal education and providing coaching for dropout and school going children. After providing basic literacy and education, children are enrolled in nearby schools. These centres also provide vocational training to women and adults.

CLCs are set up in slums or slum-like places having 2-3 classrooms with adequate facilities. The education and training programs in CLCs include:

- BASIC LITERACY PROGRAM
- ADULT LITERACY PROGRAM
- VOCATIONAL TRAINING
- CAREER GUIDANCE & COUNSELLING
- NUTRITION FOOD PROGRAM
- HEALTH & HYGIENE
- UNIFORM

STUDENT NEWS LETTER

WBCS Coaching Program is a promising project initiated by HWF under CTAG. The program aims at providing residential and free coaching for West Bengal Civil Service. Under the program, we started a residential coaching centre in Kolkata, West Bengal. In last two batches 19 students have qualified prelim exams and 12 students secured various government jobs. This is the first of its kind as the organization is planning to set up such centres in other underperforming districts as well.
