Education

TWEET believes true empowerment stems from education, a fundamental right that transforms lives. By prioritizing education, TWEET empowers marginalized communities, especially women and girls, to become agents of change. Total beneficiaries under education programs in this year are 385.

Meritorious Girls' Scholarship

The Meritorious Girls Scholarship program provides vital financial support to high-achieving, economically disadvantaged young women, empowering them to pursue higher education at esteemed institutions. Under this initiative, TWEET distributed scholarship to 33 girl students.

Fellowship Program in Women Empowerment

TWEET offers a Fellowship Program in Women Empowerment, a full-time, scholarship-based, year-long initiative. The program aims to engage talented and passionate young women professionals in diverse women empowerment activities designed and implemented by TWEET. Through hands-on involvement, the fellowship nurtures leadership, builds grassroots experience, and enables fellows to contribute meaningfully to social change.

Internship Facilities

A total of 30 students from different educational institutions –Jamia Millia Islamia in New Delhi, Jamia Hamdard, Indira Gandhi National Open University, New Delhi, and Central University of Kerala, completed internship and filed work as a part of their curriculum

Adult Literacy Centre

TWEET launched a new Adult Literacy Centre (ALC) at Kanchan Kunj, New Delhi, on 12 Sept 2025 with the aim of empowering illiterate adult women through basic education. ALC seeks to provide learners with essential reading, writing, and numeracy skills, helping them become functionally literate and self-reliant.

Digital Dreams Bright Future

TWEET' Digital Literacy Programme aims to empower young women with essential digital literacy skills, to enhance their employability and entrepreneurial prospects.

The program focuses on four key sub-themes: basic computer skills, digital marketing and social media management, online job opportunities and freelancing & introduction to AI tools.

Accommodation Facilities for Girls

The Women Facilitation Centre, which includes a girls' hostel, functions effectively with a capacity of 29. This initiative is designed to support young women and girls coming to Delhi for job opportunities or educational purposes by providing them with safe and comfortable accommodation.

TWEET girls hostel marks its 2nd anniversary with grand celebration

TWEET felicitated hostel inmates for their outstanding performance in academics. Ms. Ameera (admitted to MA in Society and Culture at IIT Gandhinagar) and Ms. Fatemah Rizvi (received Reliance Foundation Postgraduate Scholarship) were felicitated by Mr. T. Arif Ali, Chairman of Vision 2026.

Meet the scholar is the program conducted at the TWEET girls' hostel. The program aims to connect the students with accomplished individuals in their field of study, allowing students to gain insights into potential career paths, learn about research opportunities and receive guidance on academic pursuits by engaging in direct interaction with a recognized expert essentially providing a platform for mentorship and inspiration through personal interaction with a successful scholar.

Leadership Development and Capacity Building

Under leadership development and capacity building project, TWEET empowers women with skills, knowledge, and confidence to participate fully in social, economic, and political spheres. It bridges gaps in education, vocational training, and leadership, enabling women to overcome obstacles and assert their rights. Holistic development, networking, and resilience-building are key focuses of this project. This approach unlocks women's potential, fostering community contributions and a more equitable society. Total number of beneficiaries under this project in the reporting period is 449.

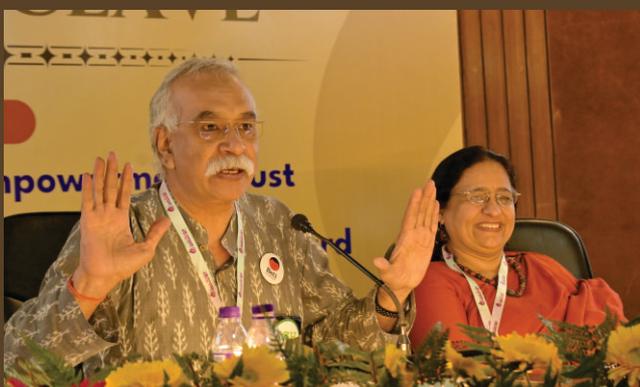

LeadHership 2025: National Women NGO Conclave

LeadHership 2025, a two-day National Women NGO Conclave, was successfully held on 8– October 2025, marking a significant milestone in strengthening women' leadership within India' civil society sector. Jointly organized by TWEET and Jamia Hamdard, the conclave served as a national platform to promote collaboration, innovation, and sustainability among women-led organizations.

The conclave brought together 240 delegates representing 47 organisations, 12 states, and 8 educational institutions, including women leaders, grassroots activists, academicians, policymakers, and civil society professionals from across the country.

Inaugural Session

Session-I. Scope of Civil Society Organizations

Session-II. Women Leadership in NGOs

The programme comprised an inaugural session, followed by thematic technical sessions led by 32 expert resource persons. Key themes included women' leadership in NGOs, best practices of innovative women-led organizations, fundraising strategies, legal compliance and governance, and future pathways for strengthening the NGO ecosystem.

The conclave concluded with a valedictory session that reflected on key learnings and outlined a collective roadmap for reinforcing resilient, transparent, and impactful women-led NGOs. Overall, LeadHership 2025 emerged as a significant national initiative, reinforcing the collective commitment to advancing women' leadership and inclusive development across India.

Mewat Women Empowerment Project

Recognizing the low female literacy rate and limited opportunities for women in Nuh District (Mewat), Haryana, TWEET prioritized focused interventions under its Mewat Women Empowerment Plan to address educational, economic, and capacity-building challenges.

As part of the initiative, TWEET organized a multi-stakeholder roundtable consultation on 26 April 2025 at Vision Academic City, bringing together nearly 100 participants, including government officials, educators, health professionals, social workers, ASHA and Anganwadi workers. The consultation facilitated dialogue on local challenges and sustainable pathways for women's empowerment.

Building on these insights, TWEET awarded scholarships to 17 meritorious girls from Mewat to support their pursuit of higher education and implemented community-based interventions to improve educational access, strengthen capacity-building efforts, and enhance awareness among girls and women.

Dr. Aijas Ahmad, Principal of YMD College, Nuh, Haryana inaugurated the stakeholder meeting at Mewat
